the Office may approve a temporary increase in the number of directors of the resulting institution provided that the association submits a plan for bringing the board of directors into compliance with the requirements of § 544.1 of this chapter within a reasonable period of time.

(e) Notwithstanding any other provision of this part, the Office may require that a plan of combination be submitted to the voting members of any of the mutual savings associations that are constituent institutions at a duly called meeting(s), and that the plan, to be effective, be approved by such voting members.

(f) A conservator or receiver for a Federal mutual savings association may combine the association with another insured depository institution without submitting the plan to the association's board of directors or members for their approval.

(g) If a plan of combination provides for a resulting Federal mutual savings association's name or location to be changed, its charter shall be amended accordingly. If the resulting institution is a Federal mutual savings association, the effective date of the combination shall be the date specified in the approval; if the resulting institution is not a Federal savings association, the effective date shall be that prescribed under applicable law. Approval of a merger automatically cancels the Federal charter of a Federal association that is a disappearing institution as of the effective date of merger, and the association shall, on that date, surrender its charter to the Office.

§ 546.4 Voluntary dissolution.

A Federal savings association's board of directors may propose a plan for dissolution of the association. The plan may provide for either:

(a) Appointment of the Federal Deposit Insurance Corporation or the Resolution Trust Corporation (under section 5 of the Act and section 11 of the Federal Deposit Insurance Act, as amended or section 21A of the Federal Home Loan Bank Act, as amended) as receiver for the purpose of liquidation;

(b) Transfer of all the association's assets to another association and home-financing institution under Federal or State charter either for cash sufficient to pay all obligations of the association and retire all outstanding accounts or in exchange for that association's payment of all the association's outstanding obligations and issuance of share accounts or other evidence of interest to the association's members on a *pro rata* basis; or

(c) Dissolution in a manner proposed by the directors which they consider best for all concerned.

The plan, and a statement of reasons for proposing dissolution and for proposing the plan, shall be submitted to the OTS for approval. The OTS will approve the plan if the OTS believes dissolution is advisable and the plan best for all concerned, but if the OTS considers the plan inadvisable, the OTS may either make recommendations to the association concerning the plan or disapprove it. When the plan is approved by the association's board of directors and by the OTS, it shall be submitted to the association's members at a duly called meeting and, when approved by a majority of votes cast at that meeting, shall become effective.
